Please Note:

- By default, all internet lines are behind our firewall, and IP addresses are dynamically assigned.
- Costs are for entire duration of the exhibition (26- September) not including VAT (if applicable)
- Onsite support is included (during registration opening hours)
- Adaptors for devices are not included.
- If Adaptors, switches, and Network drops are needed, please check with us costs and stock availability.
- It is not allowed to broadcast private Wi-Fi networks. The venue and the organizers reserve the right to discontinue any activity which interferes with the hall Wi-Fi coverage.

**48th World Small Animal Veterinary Association
Congress and 28th FECAVA Eurocongress**

Lisbon, 27-29 September 2023

- Internet connection comes from the floor. In case the booth has a platform and internet cable(s) needs to be laid underneath the exhibit flooring, the venue and the organizers must be informed in advance as well as the scheduled set-up day, time, and the desired location of the main internet drop.
- Orders should be placed by **Tuesday, 15 August** via email to hsafier@kenes.com
- When placing an order, please also indicate the billing address and the preferred payment method (credit card or bank transfer).

Payment Terms:

- Payment should be finalized **prior to arrival onsite**.
- **Payment methods:** credit card or bank transfer.
- There will be a 4% credit card fee for payment by credit card. For payment by bank transfer: bank charges are the responsibility of the exhibitor and should be paid at source in addition to the internet fee.
